In this Solution Report, I'll be teaching how to "Sit Back, Mail Letters, Mail Postcards, and Place Ads To Recruit 5-20 New People Every Single Day So You Can Build a Growing MLM Business Income."

Hello, my name is Doyle Chambers. For over 25 years, I've been helping people create ever-growing cash-flow with Ready-to-Go Business Systems. I have a real solution I want to share with you, so keep reading all the way to the end.

Here's what you need to know and WHY it's important to you...

1. "How To Recruit Like Crazy via Direct Response Mail-Order Marketing."

What if you had a system that allowed you to use other people's money to pay for all of your collective ad co-ops? Did you know that you can lease your bigger ad campaigns for up to \$1,000 per

month. You might spend \$2,000 on a full-page ad and EARN \$5,000. So what would the ad cost you? Absolutely nothing, right?

2. "I've Built Two Big MLM Downlines (30,000+ Members) Using This System."

I always use a "continuity system" which sets me up to earn \$1600 dollars on an advertising campaign that cost me about \$70 to set into motion. What I do is sell thirty courses for \$69 each. See what I mean? The cash flow completely ERASES my advertising costs! I get FREE ads, which means endless advertising and endless leads. And potentially, I get endless enrollees to join the MLM program.

3. "How To Enroll people Who Love MLM and Who Want To Be Enrolled."

The super-key to effective MLM recruiting is by building trust, rapport and building a relationship with people. Do NOT show people your MLM too

A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundingly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

quickly. Don't mention the MLM program during initial contacts. All you need to do is train, teach and inform people. With a good relationship, money can now be made. Those people will soon be "wanting more".

4. "I've Enrolled Over 2000+ People and I Didn't Leave My Home Once To Show Them The "Opportunity."

It's far easier to recruit a customer into your MLM program than trying to recruit a stranger. That's why I first want to generate paying customers for the informational products that I sell. Customers who buy courses from you become your loyal fans...who you later can recruit into your MLM program!

5. "Why Most People Fail At Mail-Order Recruiting For Network Marketing."

You must slow things down and take your time with recruiting. Don't sell your MLM. Just inform and POINT to your informational courses and back-end offers. Then, later you can spring the MLM opportunity on them. If you don't rush people, they will buy what you have to offer. But only if you SERVE their needs. By SERVING the prospect first, you will gain their trust and add to your own credibility.

6. "What Not To Do and What 99.9% Of All MLM Mail-Order People Don't Even Have A Clue About."

Most people operate their business from a position of "No Continuity". The most important thing is to have multiple

products and then expose people through 2-3-4 products and courses. You must do this first, even before you offer them your MLM at the end. You first need to make at least \$50-\$200 per buyer BEFORE you pitch them on your MLM program.

That's right, you sell them how-to information courses first.

- A) You get immediate cash-flow
- B) You get FREE leads.
- C) You have the potential is making \$2000 to \$10,000 a month on-the-side.
- D) Then, later you get to back-end sell everyone into your MLM program.

How does that all sound to you? Would you like to earn an extra \$5,000 a month BEFORE your MLM program income kicked in?

I earn thousands per month just from selling information products. And that's before any of my MLM income starts to pay me.

7. "You Must Have Automated Upgrades Where There Is NO Sales Anxiety."

You initially sell informational the first course and make immediate cash. Then, the course has built-in offers that automatically sell more informational courses for you. Your front-end courses

can pay \$50 - \$100 and the "bigger courses can pay you \$197 - \$1000. Then at the end of the line, you are taking all of those buyers who sent you money for multiple courses, and then back-ending them into your chosen MLM program. You can't sell only one low-end item...because it won't pay for your ads or give you any true profits. You must sell multiple products with built-in back-end offers.

8. "Once Prospects Are In Your Automatic Promotional Loop, They Can't Miss Your Constant Advertising Sent To Them Daily."

You must give people useful and usable information each day within your daily messages. Only then, can they justify spending money for your more detailed informational courses (that you are selling. When you bring people to the point of trusting you, everything changes. To gain their trust, you must first put yourself in their shoes and see things from their perspective. Find out what they need and want, and your half way there. Now, just search to find the good solutions that will truly help them. When you can do that -- they will believe and buy from you.

9. "It's Really Dumb To Try To Recruit The Competition."

Don't promote your MLM within the marketplace by competing against your potential prospects. Instead, you can beat the competition by promoting your business with with 100% generic MLM information courses that you are selling, not giving away for free. You should always use generic materials to get in front of other MLM marketers. By being

generic (no particular MLM company name is mentioned), you won't alienate your prospects.

10. "Sit Back, Mail Letters, Mail Postcards, and Place Ads To Recruit 5-20 New People Every Single Day So You Can Build a Growing MLM Business Income."

I used a powerful mail-order marketing system for years to build several fast growing MLM businesses. You need to learn and use a proven mail-order system, or you will most likely fail to build your MLM business. With a system like this, you could make thousands AND recruit a bunch of people all at the same time! How could you effectively do 100 MLM presentations per day? You don't. The system will do it all for you. You can also make a living selling powerful information and teaching other people how to build huge MLM downlines.

Step out beyond your current way of life and embrace new habits. My advice is to decide now to go all in and be fully committed.
