**In this Solution Report, I'll be teaching how to "use postcards to promote any business or product"**

**Hello, my name is Doyle Chambers. For over 25 years, I've been helping people create ever-growing cash-flow with Ready-to-Go Business Systems. I have a real solution I want to share with you, so keep reading all the way to the end.**

**Here's what you need to know and WHY it's important to you...**

### **1. "Louisiana man uses postcards to enroll 186 new MLM people within 9 months"**

I knew of one Louisiana man who successfully used postcards to market his chosen MLM opportunity. He mailed a few postcards each day, consistently. He was able to easily get people to respond to his postcard, and then he sent them more detailed information. Within 4 months, he had enrolled 31 new people into the business. Those 31 people used

his postcard also to build their businesses. After 9 months, that Louisiana man had a total of 186 people within his MLM group. From there, his business continued to grow...and soon became huge! Anyone can use postcards to effectively build their business.

### **2. "Target your perfect prospects with postcard marketing"**

Have you considered why many people are using postcards to promote their business, instead of online marketing? Yes, people everywhere are finding out that simple postcards with a powerful, persuasive message can quickly build their prospect list, and also generate sales. With postcard marketing, you have greater control. Many people are failing with Internet marketing methods. Actually, postcards are simple to use and very cost-effective at getting new business prospects. With Internet Marketing, the technical learning curve is too much to overcome for most people. It is also very expensive to reach your perfect prospects. Internet

# A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

marketing seems easy, but most people fail and lose thousands of dollars trying to figure it all out. Most people give up. Postcard Marketing could be the answer you are searching for...that could launch your business into continuous profits.

### **3. “Postcards create high-interest and get read by your perfect prospects”**

When people receive postcards in their mailbox, they quickly read them. If the message on the postcard is well-written and persuasive, people won't throw it away. Yes, they'll keep the postcards and read them over and over. You have a captive audience with your postcard. Some people will respond to the postcard quickly, while others may respond 6 months later. Postcards keep working because people don't throw them away.

### **4. “Postcards can successfully be used to promote any type of business or product”**

Mailing lists are available for almost every type of market, such as: MLM, business opportunities, health products, and on and on. You can craft a persuasive postcard message to speak to any type of prospect you choose. Because of this, you are able to promote any type of business or product. Postcards enable you to sell directly to your products. This type of marketing is completely different than placing ads online or offline. Why? Because your ads would be competing with thousands of other ads. With postcards you can capture the attention of your prospects because they see only your ad that arrived in their mailbox.

### **5. “Postcards can quickly build your prospect and customer list”**

When people respond to your postcards, you can add them to your in-house mailing list. These prospects can be sold to over and over. They raised their hand and told you that they are very interested in what you have to offer. That means you have a list of highly targeted prospects who can be mailed to over and over again. Yes, these people will repeatedly buy from you over and over.

### **6. “Postcard campaigns can be quickly created to make money fast”**

You can have multiple postcard campaign running at the same time. Postcards are easy to create, as long as you are good at writing persuasive sales messages. Your sales message can be crafted to promote almost anything. Once you create a few postcard campaigns and gain experience, you'll understand the true power for using postcards.
